PALLADIUM

TIFFANY PALLADIUM

Both classic and modern, this fine bone china was inspired by the powerful symmetry of Palladian architecture. The collection is quite extensive. There are three Palladium variations designed to complement each other perfectly: a radiating pattern of fine gold and platinum pinstripes, a pattern with a hand-painted platinum rim and another with a hand-painted gold rim.

The coupe-shaped serving pieces are truly unique. The placement of the fine lines on the serving pieces accentuates their elegant shapes.

Tiffany Palladium is versatile, suitable for the most formal and everyday occasions.

Tiffany recommends handwashing for this pattern.

CHINA SERVICE

Tiffany recommends a service for twelve and the serving pieces of your choice.

A standard five-piece place setting includes a dinner plate, salad/dessert plate, bread and butter plate, cup and saucer. You might also consider adding a bowl to each place setting.
