AUDUBON

AUDUBON

Audubon Limoges porcelain was originally created to match our celebrated sterling silver pattern of the same name.

The design dates back to the 1890's, when American and European artists looked to Far Eastern cultures for inspiration.

Like the flatware, many of the pieces are distinct, featuring different exotic birds or flowers. Certain serving pieces and plates have a beautiful pavilion motif.

Audubon is a Tiffany favorite. The shapes are classic. The design is original. When the table is set the effect is magical.

Audubon enhances both formal and informal entertaining.

Tiffany recommends handwashing for this pattern.

CHINA SERVICE

Tiffany recommends a service for twelve and the serving pieces of your choice.

A standard five-piece place setting includes a dinner plate, salad/dessert plate, bread and butter plate, cup and saucer. You might also consider adding a bowl to each place setting.
