TIFFANY NATURE AND CLASSIC BLUE

The Tiffany Nature Collection of fine bone china was inspired by late nineteenth-century designs found in the Tiffany Archives.

The collection is extensive, offering a wide variety of pieces. Each serving piece has a different flower or fruit design and the setting pieces are also richly varied. The collection is united by color and complemented by Classic Blue, a collection of white fine bone china with a hand-painted matching blue band.

Tiffany Nature fine bone china honors Tiffany's longstanding dedication to design and craftsmanship. Each original design is printed by an intricate process and applied by hand. The result yields rich blue hues and subtle detail.

This collection is microwave and dishwasher safe.
